The Philosophy of Master Guide Ministry

The Master Guide Ministry is the highest level of leadership within the Adventurer/Pathfinder/Youth programs of the church. It focuses on one's personal spiritual life and growth first and foremost. General leadership skills are then woven into the sharpening of those skills, which are specifically geared to leading youth in God-ordained areas of development: understanding God's world of nature, outreach ministry, service to others and a lifestyle that denotes healthy living.

This Master Guide Ministry envisions the salvation of young people; it is committed in developing Christ-centred leaders to

disciple children and youth; and to empower them through effective training, equipping and deploying them for service.

Your Commitment to the Master Guide Ministry

We, the undersigned, have read, understand, and are in full agreement with the Philosophy of Master Guide Ministry and agree to support our district club through those means with which the Lord has blessed this church, including finances, staff volunteers, securing a place to meet, transportation on outings, and other such needs as may arise in the fulfillment of this ministry, and to assist and support the work of the Master Guide ministry in the Ontario Conference and around the world.
